

TOWN COUNCIL WEEKLY STATUS REPORT

September 08, 2011

Volume 18, No. 33

UPCOMING MEETINGS

- Tuesday, September 13th, Town Council Group I and Group II meetings have been cancelled.
- Tuesday, September 13th, Town Council Committee of the Whole, 7:00 p.m., Town Hall Annex, CR1
- Wednesday, September 14th, RTM Finance Committee special meeting, 6:30 p.m., Groton Senior Center, Classroom B
- Wednesday, September 14th, RTM, 7:30 p.m., Groton Senior Center
- Thursday, September 15th, Permanent School Building Committee, 7:00 p.m., Town Hall Annex, CR1

THE CONNECTICUT HUMANITIES COUNCIL

The Connecticut Humanities Council has agreed to support a five session intergenerational book discussion program at the Claude Chester School in Groton in conjunction with the Senior Center. It is their "Book Voyagers" program. They will supply books for each student to keep. The Senior Center will again be working with Emily Corona's third grade class. The program will begin in January and run through May 2012.

MYSTIC STREETSCAPE PROJECT UPDATE 9/8/11

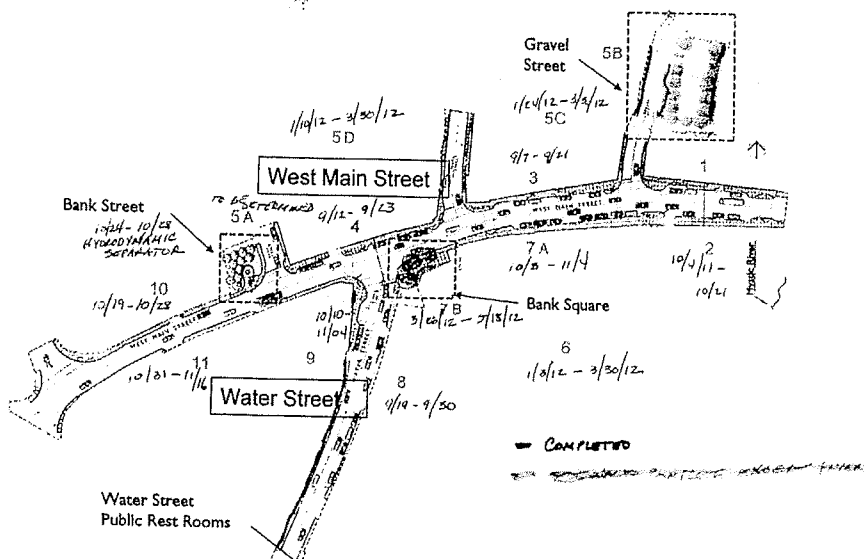

After a brief summer hiatus, work is starting up again on the Mystic Streetscape project. This week and next, work will be concentrated on the north side of West Main Street between Gravel Street and Pearl Street. The sidewalk has been removed and electrical and cable conduits put in place. Approximately 100 feet of new granite curb is expected to be set on Friday, September 9th. Sidewalk work will continue the week of September 12th with the installation of concrete paver base and sidewalk. This work is expected to be completed by September 21st.

Sidewalk work was completed on Gravel Street, Pearl Street, and the north side of West Main Street between Gravel Street and the bridge with the exception of installing granite pavers. Those pavers are now on site and the Town's contractor, Pettini, is expected to install those over the next few weeks. Other work completed includes the sewer, and all electrical, cable, and telephone conduits between Gravel Street and the bridge.

Offsite work that supports the undergrounding of utilities is underway. CL&P and AT&T have been coordinating the installation of new utility poles or the replacement of existing ones along Gravel Street, Pearl Street, and Academy Lane. New transformer pads have been installed near the Gravel Street pump station by Pettini in preparation of installing new transformers to support undergrounding the utilities between the bridge and Gravel Street. This work is expected to be completed over the next several months. Understandably, the project schedule has been delayed due to the utilities having to deal with storm damage caused by Hurricane Irene.

After the sidewalk work between Gravel and Pearl Streets is completed, Pettini will continue along the north side of West Main Street to Bank Street. The contractor will then complete the east side of Water Street, and in early October is expected to begin the south side of West Main Street, followed by the remainder of work along West Main Street up to and including the High Street intersection. See the map for the proposed schedule for this and other work to be completed. The project is expected to be completed by June 30, 2012.

Please visit the website to see the streetscape project on camera at:
<http://www.mystictoday.com/main-st-camera/>

OTHER ATTACHMENTS

1. Attachment 1 is an e-mail regarding the Yale New Haven Mammography Bus, which will be at the Groton Senior Center on Wednesday, September 21st from 9:00 a.m. to 2:00 p.m. Please call the Senior Center for an appointment at 860-441-6785.
2. Attachment 2 is notification regarding the 29th Annual CCM Convention and Exposition, to be held on Wednesday, October 5th at the Connecticut Convention Center in Hartford. Governor Dannel P. Malloy will address the future of the State-Local Partnership.
3. Attachment 3 is a flyer from Social Services regarding creating care packages of needed items for the homeless in our community. Please note the list of needed items on the flyer and label your care packages for "Project Homeless Connect". Drop-off is now through Friday, October 7th at the following locations: Groton Human Services; Covenant Shelter, 42 Jay Street in New London; and Reliance House, 2 Cliff Street in Norwich.
4. Attachment 4 is a copy of a press release regarding Groton's Fall Festival 2011 to be held on Saturday, October 8th, from 10:00 a.m. to 4:00 p.m. at Poquonnock Plains Park. The official deadline for Festival participants to register is Friday, September 23rd. To register please contact the Groton Business Association Major Events Committee at 860-445-4663 or Jim Bates, Chairman, at 960-446-1144.
5. Attachment 5 is a "Save the Date" notification for the 30th Annual Dr. Martin Luther King, Jr. Scholarship Trust Fund Dinner, to be held on Thursday, October 20th at 6:00 p.m. at the Mystic Marriott Hotel. If you are planning to attend, please RSVP to the Town Manager's office by Monday, September 19th at 860-441-6630.
6. On Thursday, September 8th, The Town participated in a "surveillance" Bond Rating review with Fitch Ratings. Attachment 6 is a copy of the September 1, 2011 Economic Update that was provided to Fitch. Results of the bond rating review should be available by the end of September.
7. Attachment 7 is an e-mail from Tom Hantke, Executive Director of the Connecticut Section PGA, regarding the PGA Junior Golf Tournament held at Shennecossett Golf Course on Sunday, September 4th.

**CCM 29th Annual Convention
and Exposition
October 5, 2011
CT Convention Center, Hartford**

Governor Dannel P. Malloy will address the future of the State-Local Partnership

=====

**From: Jim Finley, CCM Executive Director and CEO
To: Catherine Kolnaski**

Governor Dannel P. Malloy will deliver a major public policy address outlining his vision of a new State-Local Partnership for Connecticut at the CCM 29th Annual Convention & Exposition at the Connecticut Convention Center.

As a former mayor and past president of the CT Conference of Municipalities {CCM}, Governor Malloy brings a strong municipal perspective to the office of governor.

Despite a \$3.5 billion state budget deficit, Governor Malloy not only protected but increased municipal aid overall. He also successfully championed, for the first time in Connecticut history, direct revenue sharing between the State and local governments.

Hear what the Governor has to say about the future of the State-Local Partnership.

The Convention will also offer an opportunity to meet with several State Commissioners. At this roundtable session, you will be able to have a direct dialogue with the leaders of key state agencies.

The following have confirmed attendance:

- The Honorable Daniel C. Esty
Commissioner

Connecticut Department of Energy and Environmental Protection

- The Honorable Catherine Smith
Commissioner
Connecticut Department of Economic and Community Development

Also invited, but not confirmed are:

- The Honorable James P. Redeker
Commissioner
Connecticut Department of Transportation
- Benjamin Barnes
Secretary
Connecticut Office of Policy & Management

So, please join us for the CCM 29th Annual Convention and Exposition.
Click here for a Convention Brochure (PDF) to register. We look forward to seeing you!

Groton's Sixth Fall Festival 2011 **Deadline for Registration Is September 23rd**

GROTON – It's your last chance to register for **Groton's Sixth Annual Fall Festival**, scheduled for Saturday, October 8, 2011. The official deadline for Festival participants to register is Friday, September 23. This is a special community event created and hosted by the **Groton Business Association (GBA)** of the Greater Mystic Chamber of Commerce.

Groton's Sixth Annual Fall Festival runs from 10 a.m. to 4 p.m. and is a rain or shine event.

You can obtain full information on how to register for a booth by going to the GBA web site at grotonbiz.com or calling the Chamber at (860) 572-9578.

For businesses, this is an opportunity to connect with your current customers and attract new ones. For artists and crafters, it gives you access to thousands of new customers. For non-profit organizations, it is an opportunity to promote your message to thousands in person.

The festival is held at Poquonnock Plains Park, centrally located in the middle of Groton. This will be the site of an Arts and Crafts Show, business displays, exhibits, food vendors and entertainment.

Presenting sponsors are Groton Utilities, Thames Valley Communications, the Town of Groton Recreation Department and Citadel Communications.

*The Board of Trustees
of

RSVP by September 23, 2011.

**Town of Groton
Economic Update
September 1, 2011**

A. Projects that resulted in new business development or expansion of the business or company in Groton

Mystic Business Park, LLC, (Flanders Road): Construction has been completed on 5 of 7 incubator type buildings totaling 58,960 sf and the first 5 buildings are occupied. Completion of buildings 6 & 7 is anticipated in 2011. (Building 6 expect CO late March/April. Owner has the space committed. Building 7 CO expected June/July timeframe, owner is in discussions with potential occupants. (See attached list of tenants).

Airport Business Park: This highly successful 15-lot subdivision of industrially-zoned land is near the Groton-New London Airport and in the Town's Enterprise Zone. Several new buildings have been constructed, including the Southeastern Connecticut Business Complex which consists of two 12,000 sq. ft. buildings designed to be subdivided into incubator/warehouse/industrial condominiums. The first building is now full as 7 businesses have purchased units and the second building has limited space available. One of the newer companies to move in is Constitution BioFuel's, a locally owned company by a former Pfizer employee. Other new companies/development in the Park includes: 210 Innovations (4,000 sq. ft. manufacture/assembly of wheelchair fall protection devices); Luther Fence (12,000 sq. ft.); Larry's Auto Machine (7,500 sq. ft. manufacturing high tech engines). **(Total taxes on 12/9/2009 \$140,341.58)**

LBI/Route 117: Inland Wetlands and site plan applications have been approved for a 24,000 square foot metal building for office, retail and warehousing uses in the LBI Commercial Park on North Road.

The Oyster Bar (11-13 Water Street): All permits have been issued for this new seafood restaurant in historic downtown Mystic (2,120 sq. ft.). The restaurant will open this Fall.

B. Projects that will locate or have relocated to Groton

Five Guys Burgers and Fries has completed improvements and has opened at the former Oh Boy Diner site.

Panera Bread - permits have been issued to open a restaurant at the former Hollywood Video location in Groton Square. The restaurant will open this Fall.

The Lawrence & Memorial Sleep Center was opened at the Hilton Garden Inn, Route 184

The Shack Restaurant moved into Lighthouse Square, anchoring this redeveloped center.

EB Family Pharmacy opened a facility at the Ledge Light Credit Union building on Colver Avenue

The Wireless Zone moved from Lighthouse Square to Groton Square on Route 12.

Community Hearing Aids of CT moved into the Lighthouse Square location.

The Sand Box, a private indoor volleyball facility, opened at the former Mystic Tennis Club on Welles Road.

Advanced Improvements, West Main Street – converted a former two-family home into a professional office/showroom facility in historic downtown Mystic.

Hummingbird Equestrian, New London Road – a new boarding stable and related improvements were completed and the stable is fully leased with a waiting list.

Shoppers Mart – Armed Forces Career Center, Abbas Cigar Shop, Bright White Teeth Whitening joined the center

“Four Paws” Veterinarian, Cow Hill Road – a new 9,882 sf veterinarian building is under construction (this is an established local business moving from Stonington), and expected to open in October.

A new **Subway Restaurant** recently opened in the location of the former Clam Shack on Route 12.

La Z Boy Furniture Gallery has relocated to the Hendel/ former Ethan Allen site.

C. Projects that improved the aesthetics or image of the existing site to keep the business or site competitive

Kohl’s Upgrades: Major interior and exterior renovations (value estimated at \$900,000) and façade improvements (value estimated at \$200,000) were completed.

Wal-Mart: Site plan application approved for 39,845+/- sf expansion to the Wal-Mart on Route 184 (A Wetlands Permit has been issued). In addition to the expanded space, which will include a new fenced in garden center and vestibule entryways, this project proposes to improve the existing utility services, stormwater management system, landscaping and parking areas on-site. Upon completion of the project, the total building area will be 159,674 +/- sf. In 2008, Wal-Mart completed an \$800,000.00 interior and exterior upgrade to this facility.

Hannah Enterprises: Major renovations of the former gas station site at Route 1 and Noank Ledyard Road (across from Fishtown Road) are currently under construction.

Bowl New England, Kings Highway: Significant interior renovations valued at roughly \$100,000 and a minor expansion were recently completed.

Mystic Manor, High Street: an approved expansion and related improvements to the existing nursing home are under construction; additional phases are planned for the next two years.

New England Cycle Works: A proposed expansion of the retail space and use of the outside area as a display area (corner of Route 184 and Buddington Road) has received IWA, ZBA and Zoning Commission approvals; the site plan application was recently approved by the Planning Commission.

The Bridge Market: New management has taken the former Central Market and made interior renovations in this Poquonnock Bridge neighborhood.

D. Other Economic Opportunities for Groton

On January 13, 2011, UCONN announced that they are bringing a **Nursing Program** to the Avery Point Campus (and opened a state-of-the-art lab space where students can diagnose simulated patients. This is the first time UCONN has offered nursing classes in eastern Connecticut (previously students had to travel to Waterbury, Stamford or Storrs).

Trails Corner – this property fell into disrepair with the previous owner, and then was sold at a foreclosure sale to its previous owner. The new owner & realtor worked for a year with a potential buyer, deal fell through. They have now leased a portion of the building, are in negotiations with another tenant. There will still be 22,000 sq ft that they have available to lease if that deal moves forward.

Tim Horton's – recent interest has been expressed in utilizing the two available Groton sites (Route 1 and Route 184).

Airport Business Park: Six lots are available for development, one has a 4,000 building shell ready for completion once a tenant is identified (we are working with a recent inquiry for this space) and we have recently received an inquiry for Lot 2.

Permit Fees (7/1/2009 – 6/30-2010) - \$184,544.00

E. Marketing and Business Support Accomplishments

- In May staff participated in a seCTer coordinated visit with two New York City companies who are involved in business development/site expansion projects. Information on the region and available sites, including Groton, were provided.
- Staff participated on a seCTer committee which planned and hosted a site selector tour for Southeastern Connecticut that was held October 6-8th. Prepared detailed information on Groton (including major available sites) and created a 2-page marketing brochure. Participated in 2 ½ days of activities with the 8 location advisors and various companies from the region as well as local, regional and state agencies.
- Staff provided a link on our web page to the CERC Site Finder property listings (hope to refine further to make it easier to find Groton properties), and provide information on Groton sites to seCTer to be included in the regional inventory of available space/building lots.
- Staff worked with the SBA and Library Director to put together a 3-part series of small businesses classes at the Library this fall. Topics included Starting Your Business, Financing Your Business, and Doing Business with the Government. Approximately 46 people attended the training. Another 3-part series is schedule for April – June 2011.
- Created and continue to update business start-up information in Small Business Packets, which are provided in response to approximately 50 small business inquiries each year. Also meet with State of Connecticut Licensing Center staff to obtain their recommended information to include in the packets.
- Staff prepared articles for the Eastern Connecticut Section of the New England Real Estate Journal highlighting activity in Groton and potential business locations.

MUNICIPAL PROJECTS

- Mystic Streetscape/Utility Relocation Construction (Phase I)
In the Fall of 2010 construction of the project, primarily along West Main Street from the Mystic River Bridge to High Street and along a portion of Water Street, began. Improvements include new sidewalks and streetscape furniture, and undergrounding of all utility lines in this segment of West Main Street. The addition of federal stimulus funding has enabled the Town to redesign and complete the project to meet all goals. Project duration is 12 – 18 months. Contract scheduled to complete June 30, 2012. Contract value is about \$5,000,000.
- Mystic Streetscape Design and Construction (Phase II)
The design of remaining improvements along Water Street will be completed to extend the streetscape improvements down Water Street from the public restrooms to Noank Road. This portion of the project will be designed and constructed using the remainder of the original High Priority Project funding dedicated to the project. The project is scheduled to be bid in Spring, 2012. Project duration: 9 - 12 months. Contract value is estimated \$500,000-\$1,000,000.
- Thomas Road Bikeway Design and Construction
This project has advanced to the environmental permitting stage with the Army Corps and DEP. It calls for about 3400 linear feet of bikeway connecting the Town and the City of Groton. Project value is in the vicinity of \$1,000,000. Construction is anticipated to begin in FYE 2012. Construction duration expected: 9 months.
- POCD Update
This effort will begin in mid-FYE 2012 with publication of a Request for Qualifications relating to consulting services to perform a strategic update of the 2002 plan. This is a priority in order to stay on schedule with the complete POCD update by 2013 as required by recent legislation. Project value \$80,000.00 – Project duration 12-18 months.
- Climate Preparedness Initiative:
 - Energy Efficiency and Conservation Strategy: RFQ for this project is scheduled to be developed in the first quarter of FYE 2012, with work to begin in FYE 2012.
- Blight Ordinance Development
OPDS is working with Group II of the Town Council to develop a town-wide blight ordinance to maintain community character.
- Downtown Gateway Streetscape Design
OPDS has partially completed preliminary design of this project that required additional funding (\$5,500). BL Companies is working on the design for Route 1 between I-95 and Ronald Road.
- Miscellaneous Construction Projects (Provided by DPW)
 - Poquonnock Road Ledge Removal & Sidewalk Installation – Preconstruction meeting scheduled
 - River Road Reconstruction & Culvert Repairs at Haley's Brook – In Progress
 - Shennecossett Golf Course Exterior Improvements – In Progress
 - Poquonnock Road Paving & Sidewalk Installation – Sidewalk in Progress, paving completed (Highway Dept.)
 - Riverview Avenue Drainage Improvements – Out to Bid
 - Town Hall Annex Fire Alarm Replacement – Out to Bid
 - Burrow's Field Scorer's Booth – Completed (awaiting Final Inspection)
 - High Street Drainage – Engineer, Preliminary Design in progress
 - WPCF Pump Station Garage Renovations – Preliminary Design in progress
 - Poquonnock Plains Park Parking – Admin. Site Plan Submitted

Subject: Fwd: 17th Jack Kelly Junior PGA Tournament of Champions

All,
We putt a ribbon on the 2011 JGA season yesterday, so to speak. Take a look below.
I am particularly pleased with the insights from the junior players (see quotes); their admiration of Shennecossett and their perspective on the importance of the Jack Kelly.

Thanks to all for your support of the PGA Junior Golf Association.

YOUNG GUNS PERFORM AT JACK KELLY JUNIOR PGA TOURNAMENT OF CHAMPIONS

Whaley Captures Third Straight Title at 15; Walthouse Pumped over biggest Win yet

GROTON, Conn. (September 5, 2011) – The tame Shennecossett Golf Course proved a fair test for the 45 champion junior golfers yesterday during the 17th Jack Kelly Junior PGA Tournament of Champions. Kelly Whaley, 15, of Farmington, Conn. and Billy Walthouse, 16, of Longmeadow, Mass. took home the trophies last night after some spectacular play. Whaley successfully defended her title for the second year in a row making this her third straight title firing her best score yet, an incredible two-under-par 69 winning over runner-up Liz DiVincentis of Durham, Conn. who finished with a four-over, 75.

"I've really been working on my short game this year," DiVincentis explains. "You can always improve your short game and that's where you gain strokes in the field. I've been working on my irons too. Getting on the green helps you to make more pars and more birdies but today, I just wasn't making birdies. I had a lot of make-able birdie putts but didn't have any drop."

Thinking about her possible three-peat at the Jack Kelly, Whaley explains, "I felt a lot of pressure and last night and was so nervous I couldn't fall asleep." Whaley goes on to say, "This course is my kind of course though. It's nice and open, not many trees but the greens are hard and you have to land it in certain spots. I was able to dial it in today."

Whaley believes that her success in the Jack Kelly comes from family support and maybe a little luck. "I was able to play a practice round with my Mom, my Dad, and my sister, Jenn, which doesn't happen a lot," Whaley says. "It was really fun having everyone out here today too."

For Walthouse, this victory is the biggest of his junior golf career playing in the Connecticut Section Junior Golf TOUR for only the second year. "My parents were just telling me last night to have fun out here because it's an honor just to be in this tournament," Walthouse explains. "I'm so pumped right now! I was putting the ball really well today where I had a lot of putts from about 15 feet that went in including a lot of par saves."

"After I hit the 16th green and made the birdie putt, I kind of knew where I was, and I knew that there were two birdie holes coming back up to the clubhouse," says Walthouse. "I thought that if I could give myself chances for birdie on those holes, I'd have a good chance at going pretty low." Ironically enough, Walthouse finished with three birdies in a row to fire an even par, 71 to win by two strokes over Patrick Hallisey of Wetherfield, Conn.

Hallisey, who just returned from a trip to Ireland, says, "Shennecossett is a links style golf course, so I had some experience after my trip with what to do even though I wasn't able to play a practice round. Mainly, I just put the ball in the fairway, rolled it up onto the green and two-putted all day. Nothing too special."

"When I was looking at the names of who was playing today, I knew some of the kids and I was thinking 'Wow, I'm up against some of the best players'," Hallisey explains. "What I shot today actually proved that I'm up there too, that I'm not one of those guys that shoots good sometimes. It made me feel that maybe I am one of the better players and gave me a nice boost of confidence. I had a lot of fun today."

Following the tournament play, competitors and families sat down for a nice meal and awards in the Par 4 Restaurant at Shennecossett. After a spectacular 2011 Junior Golf TOUR season, the Jack Kelly Sportsmanship Awards were awarded to David Szewczul of Farmington, Conn. and Barbara Wilson of East Lyme, Conn. The Jack Kelly was also the last event to rack up points for 2011 Player of the Year honors where Patrick Albanesi of Avon, Conn. and Abbey Doski of Feeding Hills, Mass. were awarded the prestigious title.

"It's been a good, long season and I was able to play in a lot of tournaments with a lot of decent rounds," says Albanesi. "I'm going to take the confidence I've gained this year away from this experience to help me build on for next year."

"I came in to today knowing that I had to play well, knowing that Player of the Year was on the line and knowing that I hadn't played in awhile," explains Doski. "I just thought that this is everything that I have been working for this year and it was a chance that I had to prove to myself that I could be a good player. I just went out there with the attitude to stay calm, stay level, and just have an even round. I wanted that 'boring round' where nothing goes wrong and I did. I went out there with the mentality that everything was going to be ok and I just kept that thought the whole day and it worked out great."

"This was my first year playing in the Jack Kelly and I loved having the honor," Doski continues. "The course is great, in a great environment, and it was awesome playing with girls of relatively the same ability. I got to play with Kelly Whaley and Liz Divincentis today and they both played unbelievably. It was so fun to watch them play and be able to play with them. What an incredible finish to the season!"

About the Connecticut Section PGA Junior Golf Association

The Connecticut Section PGA Junior Golf Association was established in 1998 to serve and develop future golfers by introducing a game of golf. The junior golf membership is open to juniors between the ages of 10-18 who reside within the Connecticut Section PGA boundaries. The section's Junior Golf Committee governs the Junior Golf Association. The goals of the association are to develop, enhance, and promote junior golf opportunities within the region and also focus on increasing the playing opportunities for junior golfers. It provides structure and support for junior members. The section coordinates with the allied golf associations and other junior golf developmental activities and serves as a centralized communications outlet. The Junior Golf Program of the section is made possible through an annual grant from the Connecticut Section PGA Golf Foundation.
